Vehicle Class	On Road Motorcycle

Junk / Salvage / Loss

This section discloses events related to junk, salvage and insurance total loss. These events may include state DMV title disclosures related to junk or salvage, insurance total loss events and salvage auctions or junk yard disclosures. Events related to an auto dismantler, auto recycler or crush facility indicate that the vehicle has sustained major damage. A vehicle that has been received by a salvage auction or junk yard may indicate that major prior damage was sustained, however these entities also remarket undamaged vehicles. We recommend an inspection for further clarification.

There have been no Junk, Salvage, Total Loss events reported to instaVIN®.

Title Information

This section identifies this vehicle's current and historic titles issued. Each title represents a new title holder, or in some cases a duplicate title may be issued. Odometer readings are recorded at the time of each newly issued title. Title brands are indicated providing the past and current brand status associated with the title.

 There have been no problem title events reported to instaVIN®.

Current Title Information

This information reflects the current Title information on file with NMVTIS. For more information, please contact the state of Title below.

Title Issue Date	State	Mileage	Data Source	Event
10/30/15	Texas	10,465	NMVTIS	Title

Additional Title Information

This section identifies this vehicle's historic title(s) issued. Each title event represents that a new title was issued and may indicate a new owner. In some cases, a duplicate title was issued. Odometer readings are recorded at the time of each newly issued title. Associated title brands are indicated.

Title Issue Date	State	Mileage	Data Source	Event
10/08/12	Texas	2	NMVTIS	Title

Title Brand Information

Title brands are permanent negative flags associated with the vehicle's VIN by state titling agencies (DMVs). The following possible title brand information has been checked for this vehicle against all NMVTIS or participating state DMV titling agencies. A green checkmark means no brand reported, a red exclamation point means an adverse brand reported and a yellow caution sign means a cautionary brand reported. Please see the Brand Glossary section of this report for definitions of each title brand.

-  No Salvage
-  No Antique
-  No Flood Damage
-  No Classic
